## WEKIVA WILD AND SCENIC EDUCATIONAL OUTREACH

Wekiva Wild and Scenic River Sy...

### READ MORE >>>

Embark on an educational journey like never before with our newly launched [educational resource library](#) for teachers and schools! Bursting with captivating content derived from our arcGIS Story Map, Comprehensive River Management Plan, and an enthralling film encapsulating the Wekiva River's Outstandingly Remarkable Values, this library is a resource which we hope Florida teachers and students will love. This ongoing project features dedicated sections for elementary, middle, and high school levels. For educators, we're curating a teacher section to offer lesson plans, aligned standards and objectives, essential questions, and printable resources. [Join](#) us in exploring these engaging materials, fostering in students a deeper connection with the Wekiva River, and nurturing a generation passionate about environmental stewardship!

# VOLUNTEER ROUNDUP!

- >>> THREE BRIDGES CLEAN UP // MARCH 2

**THANK  
YOU  
TO ALL OF  
OUR 2023  
VOLUNTEERS**

As we head into 2024, we extend our deepest gratitude to each and every one of you who dedicated your time, energy, and unwavering commitment to our cherished river throughout 2023. Your invaluable contributions at events like SpringsWatch, the Manatee Festival, Run for the Woods, the Dragonfly Mercury Project, cleanups, and more have been the cornerstone of our success in preserving and celebrating the beauty of the Wekiva River. Your enthusiasm, passion, and hard work have left an indelible mark, shaping unforgettable moments and fostering a deeper appreciation for this remarkable ecosystem. With heartfelt thanks, we acknowledge your selfless efforts in safeguarding the Wekiva's natural splendor. Here's to your remarkable contributions, and we look forward to continuing this journey of conservation together in the coming year.
